Professional care **that is reliable at affordable price**

Cleaning pioneered the latest technology in washing and dry cleaning. Our services combine our expertise and experience acquired over a period of time to provide you with clean laundry, linen and curtains in a shortest possible turnaround time.

## WHY US

### PROFESSIONAL CARE

We give a wide assortment of showcasing services and appropriate care required for your clothes. We have experts and specialists to deal with your garments in the best way.

### ON-DEMAND SERVICE

You can book Online Laundry or Dry-Cleaning services or drop it yourself at your closest LaundroKart store. Pick whatever time is helpful for you, and we will wrap up. You can likewise utilize the Android/iOS apps for placing pick up requests.

### AFFORDABLE PRICING

We endeavour to surpass customer's desires by giving excellent services that are very pocket-accommodating. We offer the best moderate rates for Dry-cleaning and Laundry services. To help you with saving enormous amounts of money, you can peruse our various packages.

### TRAINED AND CERTIFIED STAFF

We have fabric specialists hired from 5star hotels which are well trained and have hands-on experience to deal with any stain or cleaning service required for your favourite piece of cloth. All the pickup executives have prepared for weeks to give you the new age laundry experience for the first time in India.

### ECO-FRIENDLY PRODUCTS

We use only eco-friendly chemicals from laundry to dry-cleaning your precious clothes. Chemicals that are not only gentle to garments and efficient in cleaning but at the same time don't harm our environment.

### TECHNOLOGY AT CORE

Tech it or Leave it! The mantra behind LaundroKart's technology stack. Using innovation, we can multitask, such as taking care of your booking, managing your orders, easy scheduling, tracking your orders, and helping customers pay us online and many more under one mobile app.

### IN-HOUSE PROCESSING CENTER

We measure services utilizing an in-house handling process that fits every one of your prerequisites and on-time conveyance. We use the Italian made Fimbimatic hydrocarbon Machine with regard and insurance of the machine's usefulness, effectiveness, and reasonableness.
